The role of Aquatic Animal Focal Points

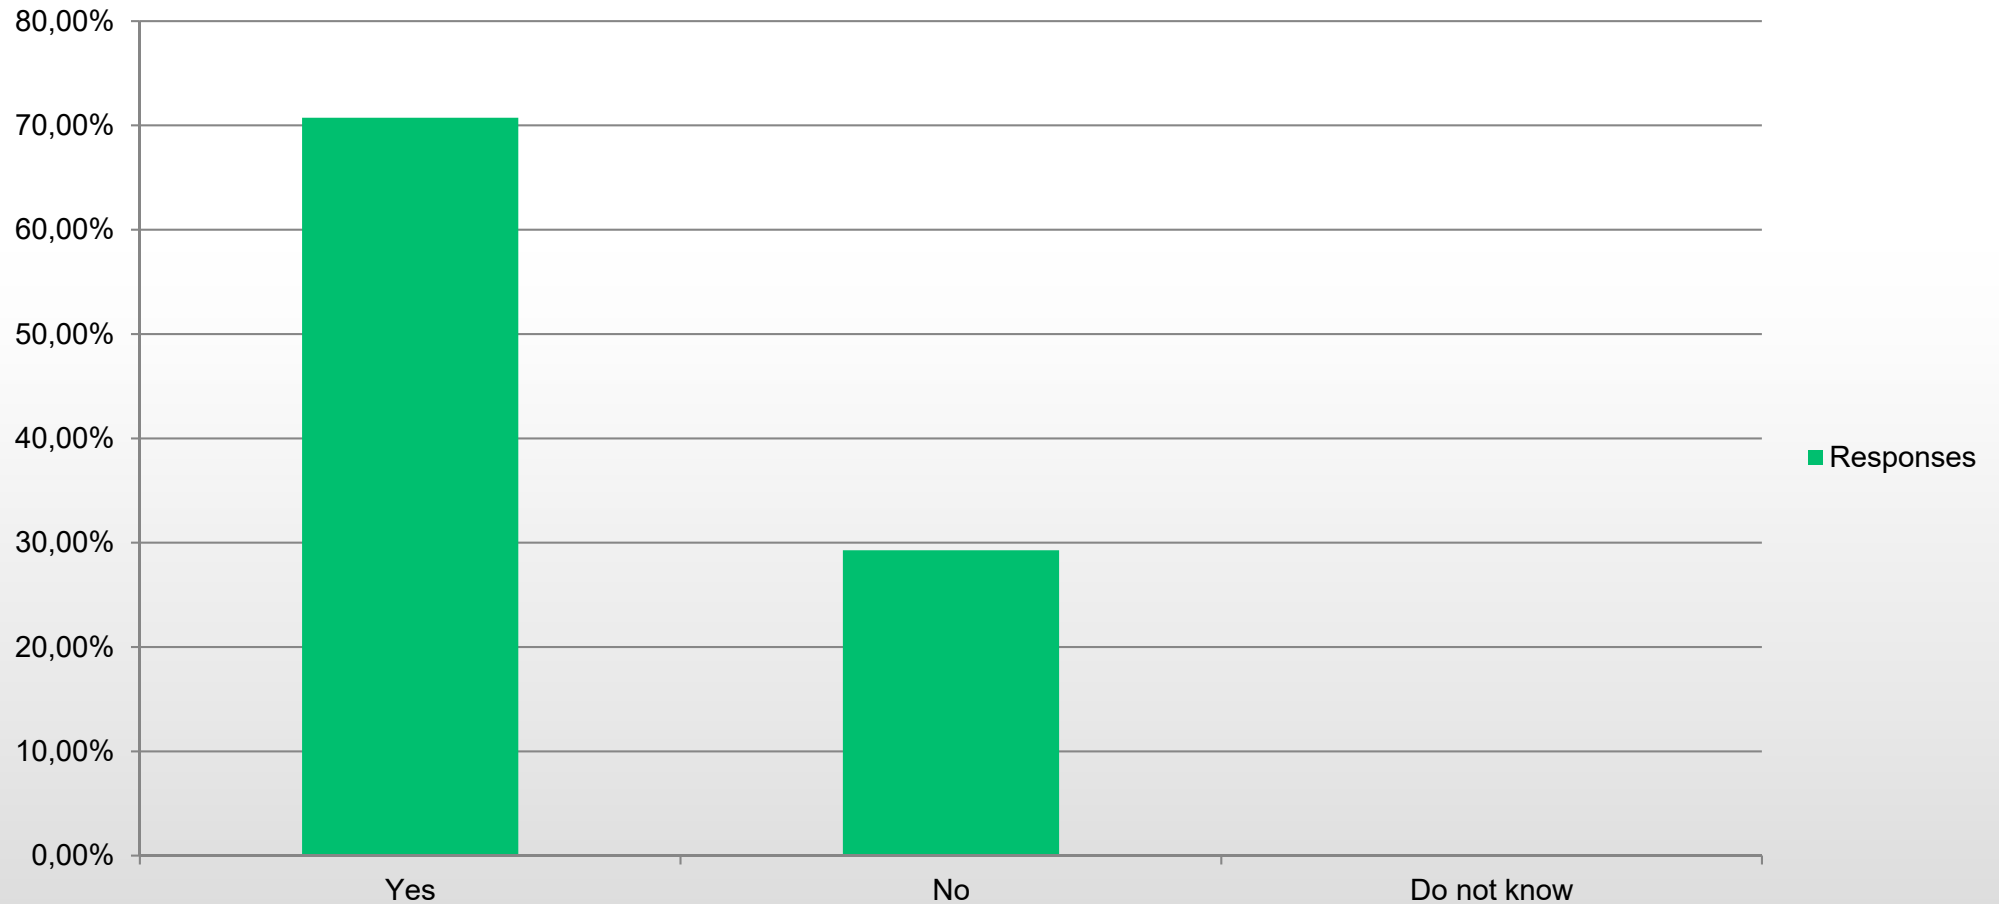

Dar es Salaam, Tanzania, 4-6 December, 2018

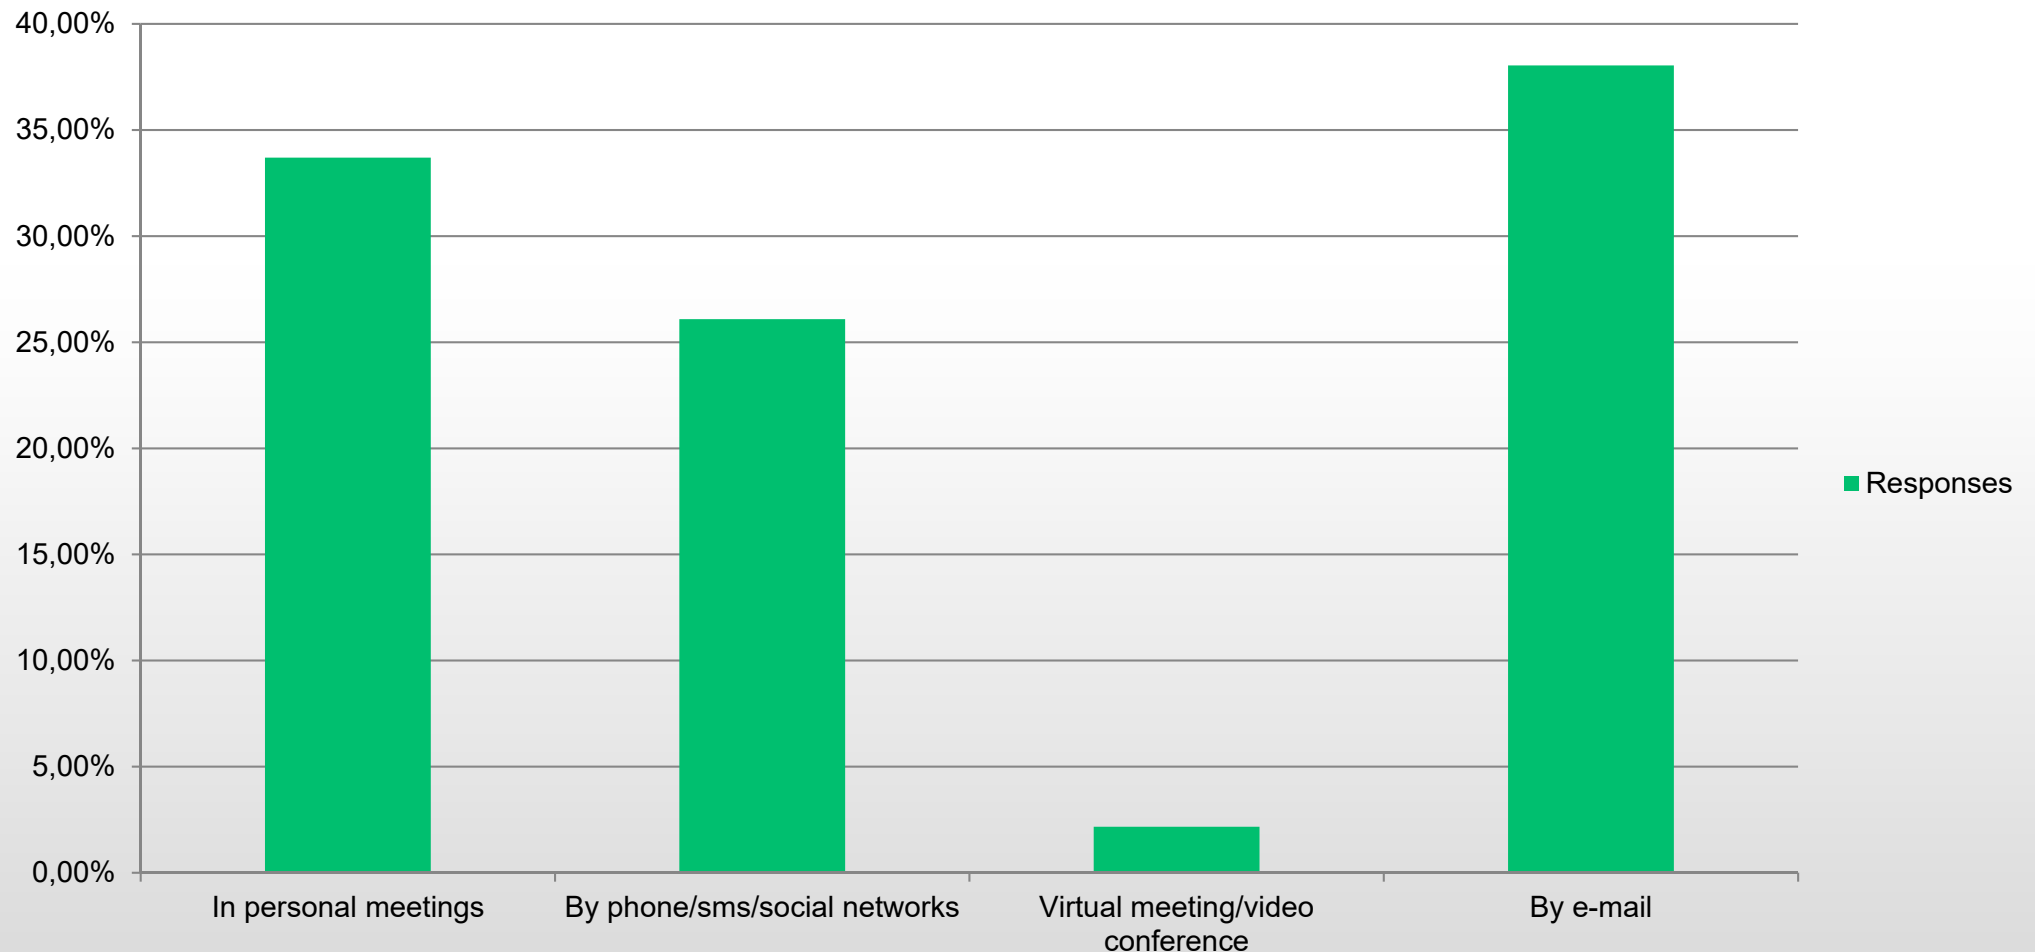

How much of your work is related to aquatic animal health?

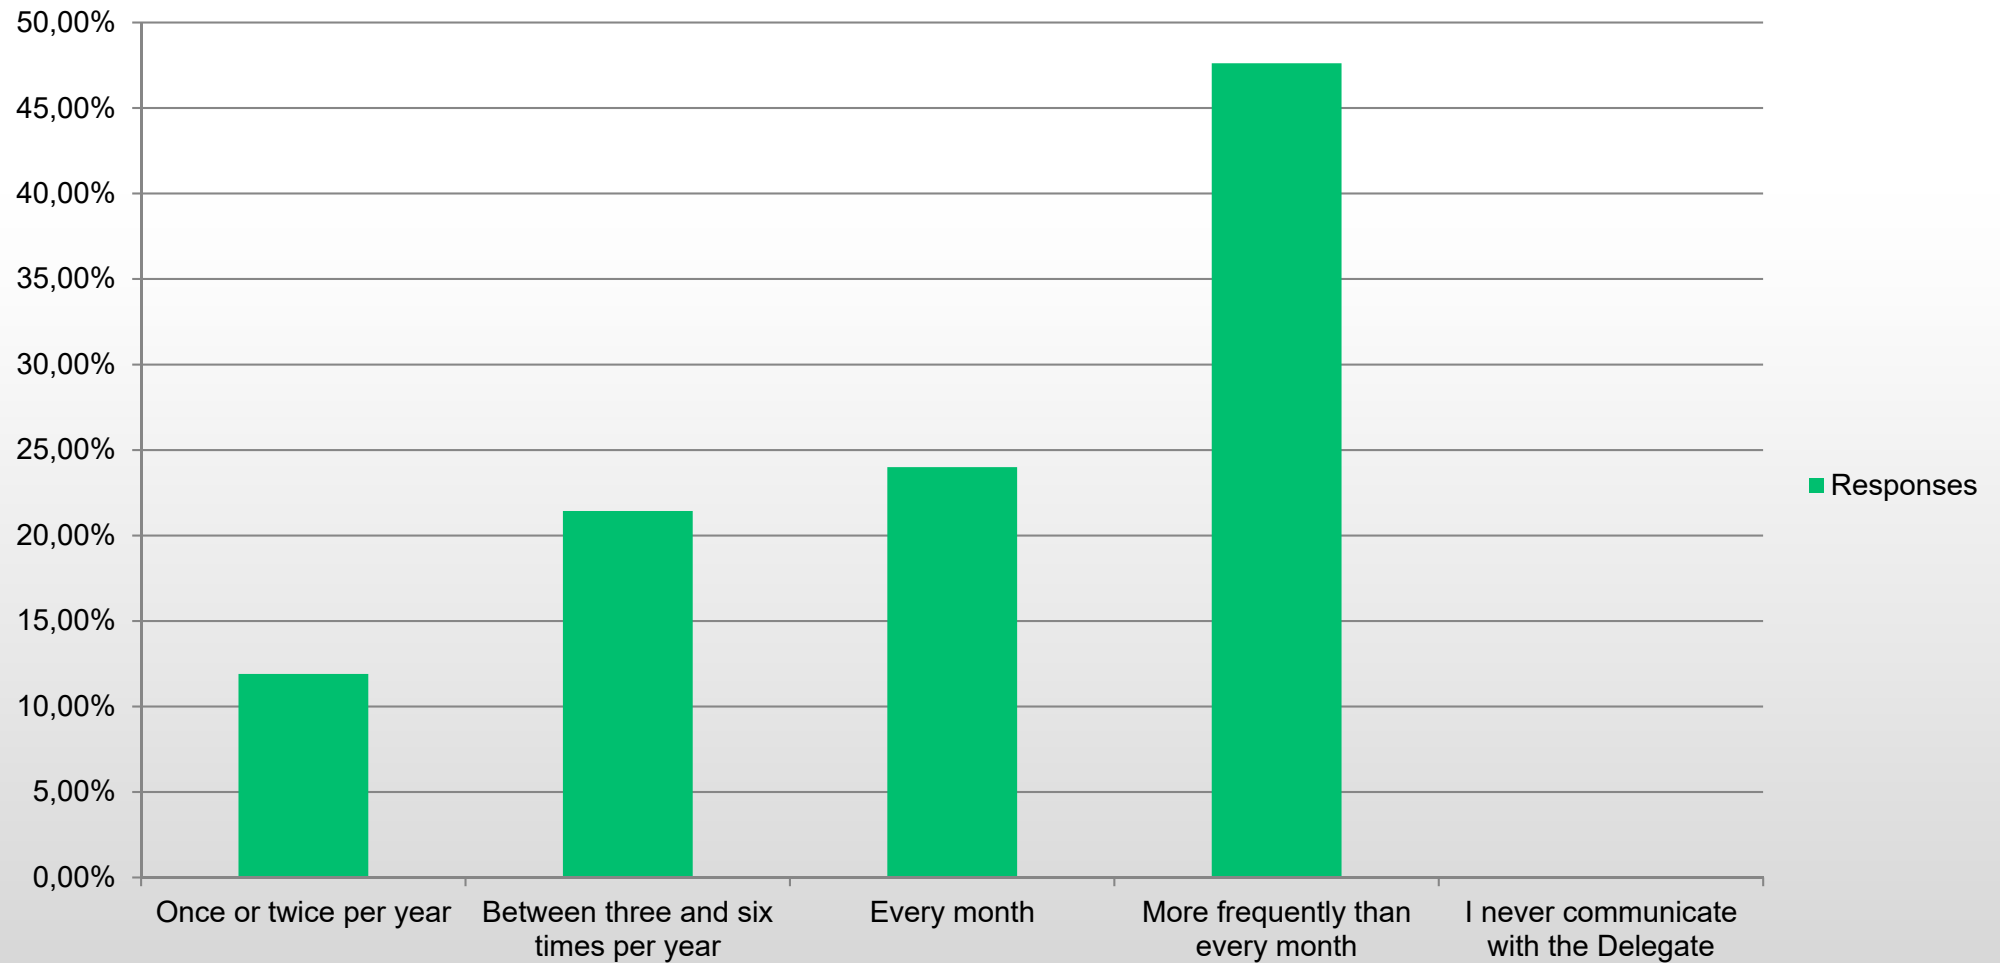

Do you work in the same Ministry/Authority/Department as the OIE Delegate of your country?

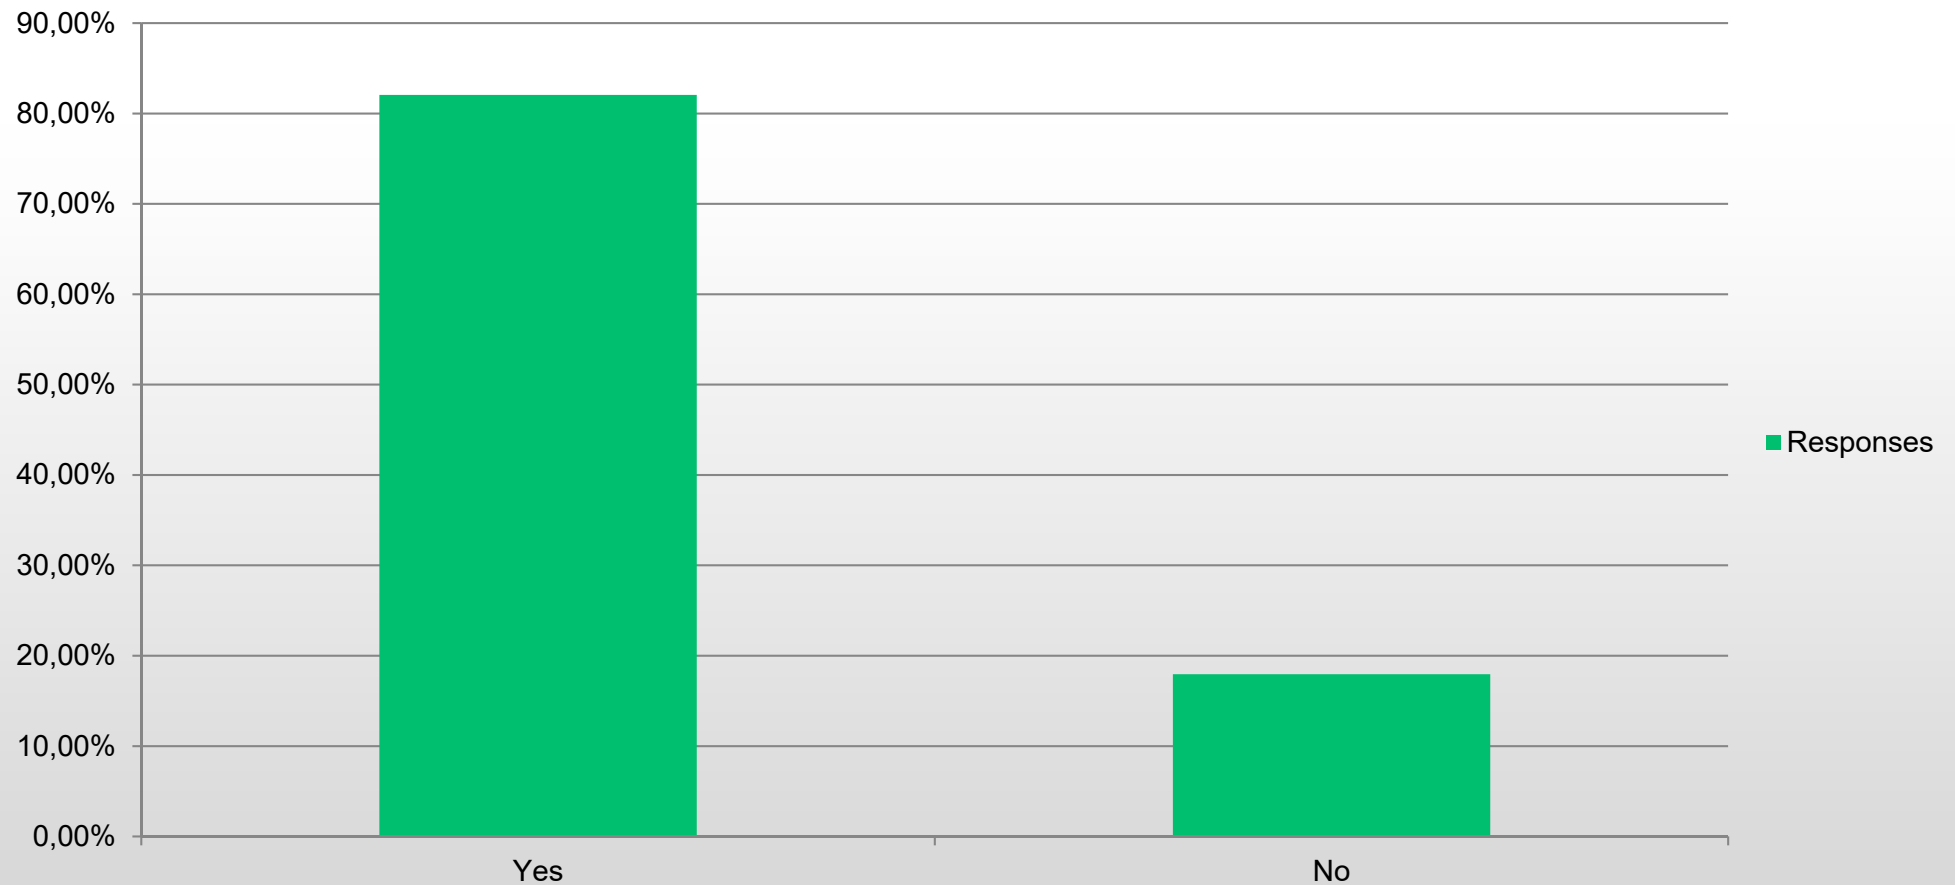

How do you communicate with the OIE Delegate of your country?

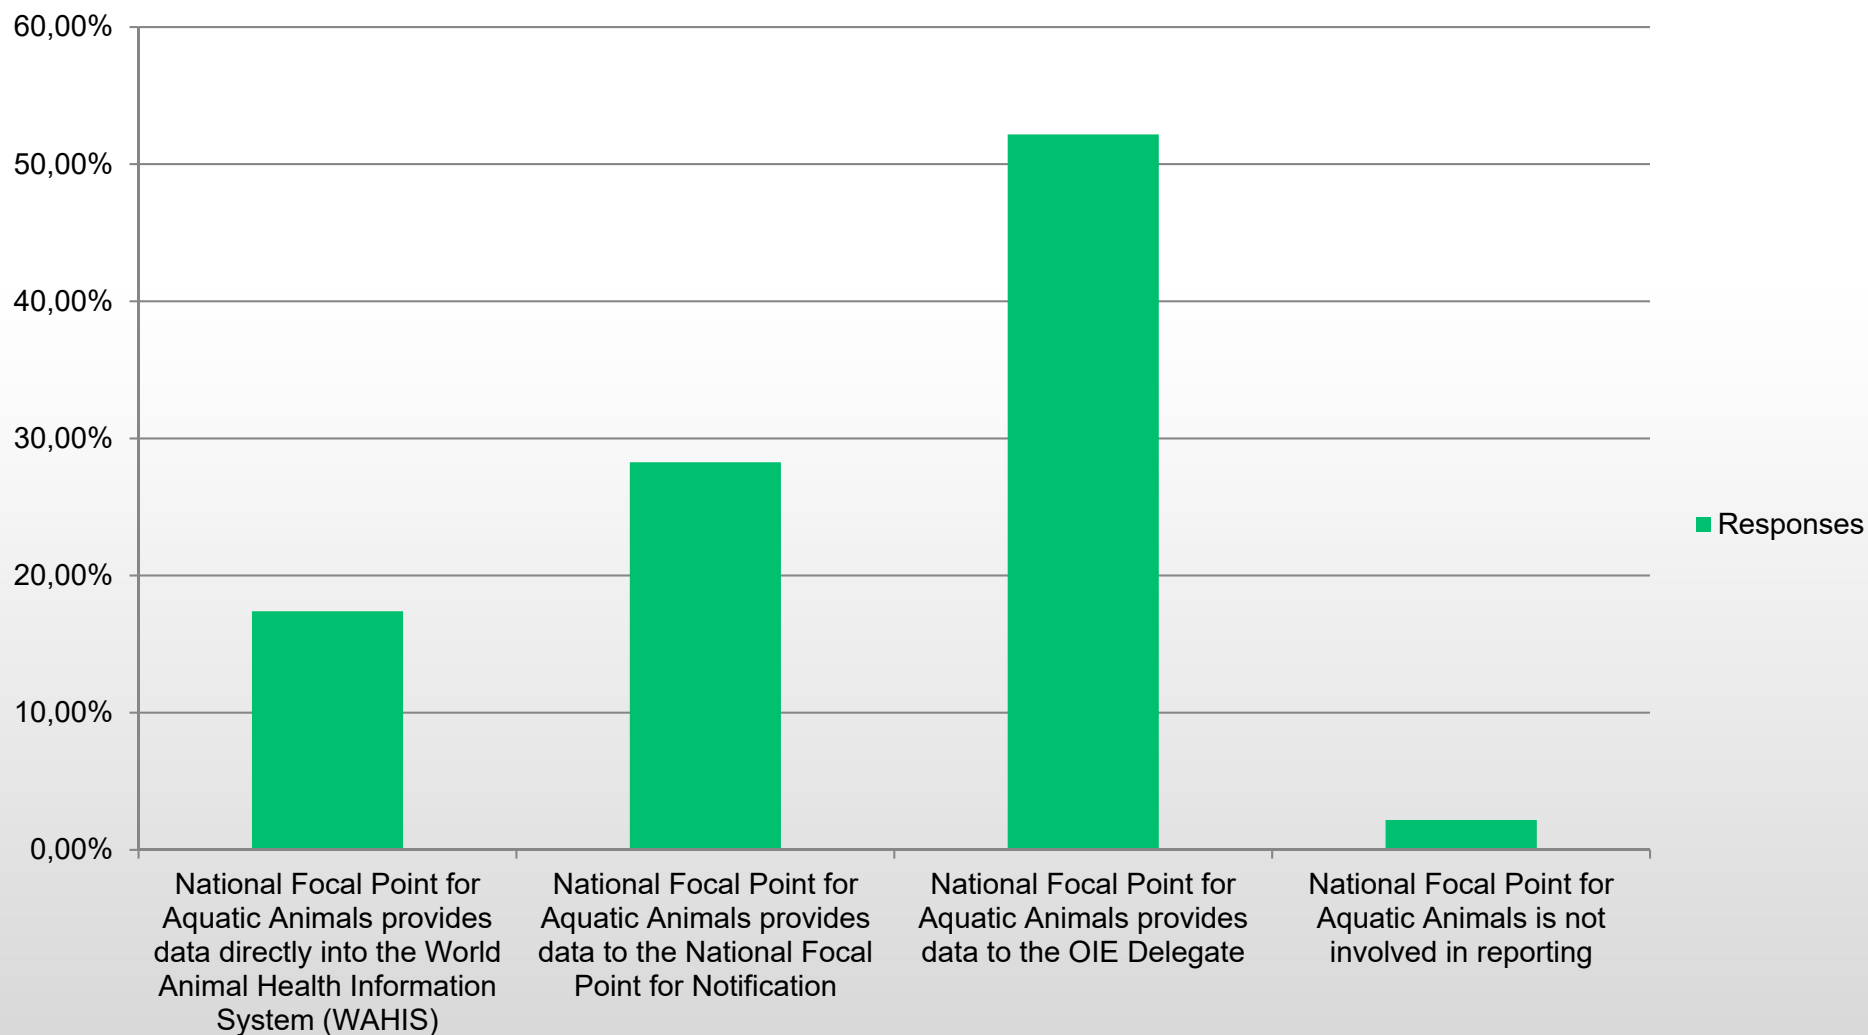

How often do you have such contact with the OIE Delegate?

Are you responsible for preparing/coordinating comments to the reports of the Aquatic Animals Commission?

Who is responsible for reporting aquatic animal diseases to the OIE in your country?

WORLD ORGANISATION FOR ANIMAL HEALTH
Protecting animals, preserving our future

Thank you for your attention
